## **Live Support Details**

On the live support admin screen ("**tiki-live\_support\_admin.php**"), there are some other options. One of them is "Generate HTML" ("**tiki-live\_support\_admin.php?show\_html**"), which leads you a page where you can copy some html code to paste it in any html page you wish to produce the live support icon:

×
Moreover, there is the option " <b>Transcripts</b> ", which can be filtered by operator. In this example, we filtered the transcripts for operator "admin" ( <b>tiki-live_support_transcripts.php?filter_operator=admin</b> ):
×

If you click on the number at the column "msgs", you can view the messages of that support request process (3, in this example):

×
