*Preferences required:* feature\_action\_calendar

| Parameters | Accepted Values | Description                                                                                                                                                                                                                                         | Default | Since |
|------------|-----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|-------|
| items      |                 | If set to a list of item types, restricts the items displayed to those of one of these types. Each set is a comma-separated list of item type codes. Possible item type values: wiki, gal, art, blog, forum, dir, fgal, faq, quiz, track, surv, nl. |         |       |

## Example

This code:

```
{module module="action_calendar" items="wiki"}
```

Would produce on this site:

### Action Calendar
