

Group Transitions

Enables transitions for users between different groups. Transitions will create a user approval workflow.

Please see:

http://dev.tiki.org/Workspace+Roadmap#Group_transitions

Try it:

http://profiles.tiki.org/Group_Transition_Demonstration

Until [Tiki5](#), you need to write your transitions using [profiles](#). Starting in [Tiki6](#), there is a GUI at [tiki-admin_transitions.php](#)
