| Option  | Description   | Default  |
|---|---|----------|
| Custom CSS                                      | Additional CSS rules can be entered here and will apply to all pages, or the CSS ID of a page can be used to limit the scope of the rule (check the HTML source of the particular page to find its body ID tag.)  | None     |
| Custom HTML head content                        | Additional content such as meta or link tags can be added to the head section of HTML files. Smarty filters can be used here.<br> <i>Example: <code>{if \$page eq 'Slideshow'} {literal}yle type="text/css"&gt;.slideshow { height: 232px; width: 232px; }{/literal} {/if}</code></i>                                      | None     |
| Custom code just before the closing </body> tag | Enter lines here to be placed near the end of the HTML file.  | None     |
| Google Analytics account number                 | The account number for the site. The account number from Google is something like UA-XXXXXXX-YY or G-XXXXXXXXXX.<br> <i>Enter the account number with prefix (prefix eg: "G-" or "UA-")</i>  | None     |
| Custom JavaScript                               | Includes a block of inline JavaScript after the inclusion of jQuery and other JavaScript libs in all pages.<br> <i>Use PluginJS to include Javascript on a single wiki page.</i><br> <i>Do not include the &lt; script &gt; tags.</i> | None     |
| Add group CSS info                              | Either grp_Anonymous or grp_Registered and possibly grp_Admins as well<br> <i>Add CSS classes to the page BODY tag based on the user's group membership</i>  | Enabled  |
| Categories to add as CSS classes to <body>      | Pages in selected categories will have a class with syntax like "cat_catname" added to the body tag.  | None     |
| Theme Customizer tool                           | Activate the theme customizer tool to enable easy theme customization.   | Disabled |
| Edit CSS  | Edit CSS files directly in the browser.<br> <i>May not be functional in Tiki 14+ </i>   | Disabled |

| Option                | Description  | Default  |
|-----------------------|--|----------|
