*This code,*

---

This is regular text{SUP()}*"and this is italic superscript"*{SUP}

*Produces:*

This is regular text<sup>*and this is italic superscript*</sup>

Tip

To use superscript footnote numbers, consider using [PluginFootnote](#) and [PluginFootnotearea](#), which work together to create and display automatically numbered footnotes.

## RELATED PAGES

- [PluginFootnote](#) and [PluginFootnotearea](#) - these plugins work together to add automatically

numbered footnotes to a page

- [PluginSub](#) - applies subscript formatting to text
