

Guide de rÃ©fÃ©rence Tiki

Ce **Guide de RÃ©férence Tiki** inclut des informations sur chaque page d'administration Tiki et onglets. Les liens du systÃ¨me d'aide Tiki conduisent directement Ã ces pages.

Dans ce guide, vous apprendrez Ã accÃ©der Ã chacun des Panneaux d'Administration, Ã quoi sert chacun d'eux, et les informations sur les options incluses dans chaque page/onglet. Il y a Ã©galement des liens vers des procÃ©dures spÃ©cifiques "Comment faire" dans les guides Utilisateur et Administrateur.
