Hail the Stub

This is a documentation status Tag used to indicate the Documentation Status of a page.
A stub is always a good edit - far better than an open link. It actually says something about what the page should be about, and maybe, just maybe a link to get somebody where they needed to go.
It is a wiki best practice to link your stubs to this page.
See How to Tag for more information.

Links to Stub

58 pages link to stub
