In 'Draft Proposals', you can post your proposals to the WPE voting site, so that other members can help you with improvement and feedback, before they become **future votes**. We suggest that all proposals shall be short, to the point, and anonymous in order to avoid bias caused by ego conflicts. If you want your name to be public after the acceptance of your proposal, send an e-mail to [jmstenborg@gmail.com](mailto:jmstenborg@gmail.com) about your wish, and your name will be published.
