

Module directory_top_sites

This is a [stub](#). Some [screenshot](#) is needed

Parameters

Displays the specified number of the directory sites from most visited to least visited.

[Go to the source code](#)

Preferences required: feature_directory

| Parameters | Accepted Values | Description | Default | Since |
|----------------------|-----------------|--|---------|-------|
| <code>maxdesc</code> | int | If desc = "y", use maxdesc to set the maximum length of the directory site (in characters). Leave blank to set no maximum (show the entire description). Default: blank. | | |
| <code>desc</code> | word | If set to "y", the description of the directory site appears. Default: "n". | | |
