logout="URL-of-the-logout-page" recording="1"}
```

You can see an example at [Live](#). Below is a screenshot:

The screenshot shows a web interface for a BigBlueButton meeting. At the top left is the BigBlueButton logo (a blue circle with a white 'b'). To its right is the text "The main meeting room". Below the logo are two buttons: "Permissions" and "Join". Underneath, it says "No attendees at this time." Below that is a "BigBlueButton" window with a close button (x). The window contains the following information:

- Allows to join a BigBlueButton meeting.
- Meeting**: The main meeting room
MeetingID provided by BigBlueButton.
- Anonymous prefix**: Guest:
Unregistered users will get this token prepended to their name.
- Welcome Message**: Welcome to live.tikiwiki
A message to be provided when someone enters the room.
- Dial Number**: +1-999-999-9999
The phone-in support number to join from traditional phones.
- Logout URL**: http://tikiwiki.org/Live_
URL to which the user will be redirected when logging out from BigBlueButton.
- Maximum Participants**:
Limit to the amount of simultaneous participants in the room. Support for this parameter depends on the BigBlueButton server.

At the bottom of the window are "Submit" and "Close" buttons.
